

DISTINGUISHED SERVICE AWARD

Recognizes an individual who has given outstanding service for the benefit and advancement of the MTT-S.

John T. Barr, IV

retired after 37 years from Agilent Technologies/Hewlett Packard. He served in various engineering R&D roles, including as the R&D Manager/Director for Agilent's Wireless Semiconductor Test Solutions. John was involved in the development and design of RF and Microwave component measurement systems for R&D labs and high volume RFIC manufacturing test systems.

John is an IEEE Life Fellow and has been active in the IEEE for many years including as 2002 President of the Microwave Theory and Techniques Society, multiple roles on the IEEE Technical Activities Board & IEEE Publication Services and Products Board and in 2013-2014 served on the IEEE Board of Directors as IEEE Treasurer.

John served as Chair of the 2006 IEEE MTT-S International Microwave Symposium and the General Chair of the 2012 IEEE Radio & Wireless Week.
